Dear Parents

As I'm sure you are aware, reading is a life skill that is fundamental to all children's education and future.

At St Lawrence, we place high priority on developing pupils as fluent readers who have an ability to retrieve, infer and deduce information from a variety of texts.

I would like to encourage you to read with your child every day at home or as often as possible; your support with reading is vital. Please write a comment in your child's reading record or journal whenever you read together.

Please find attached our "Reading Together" booklet – I hope you will find the questions and ideas helpful.

We are always looking for parents and grandparents to help with reading in school. If you are able to spare an hour or two each week or each fortnight to help with reading, please contact your child's teacher or complete the slip below and return it to the school office – afternoons are preferable for us.

With thanks for your support.

Yours sincerely

Miss E Dickason
Deputy Head Teacher
