

## St Lawrence CofE Primary School, Hurstpierpoint

### Sun Policy

Introduction: The School has very little natural shade in the play areas and is concerned that both parents and children are aware of the information available with regard to the potential dangers to health when care is not taken.

1. Parents are asked to provide their children with a suitable hat and with sunscreen.
2. Children are expected to wear hats during the long lunchtime break.
3. Children should be encouraged to apply sunscreen before school, to bring it to school in well-sealed plastic bottles and re-apply it themselves at lunchtime.  
Children may only apply it to themselves and may not share the sunscreen with others.
4. Children should be encouraged to spend as much time as possible in the shade and to drink plenty of water.
5. A copy will be sent annually to parents to remind them of the importance of this policy.
