Dear Parents

As part of this term's current Science work in Year 5, we will be studying the human life cycle and included in this will be human reproduction.

Some of this work will be based on the BBC 'Focus: Growing Up' DVD. This is in school and available for a 'preview' by parents at 3.20pm on Wednesday 27<sup>th</sup> February in Hornbeam classroom. It should run for approximately 30 minutes.

During this preview, Year 5 pupils and their siblings are welcome in Beech class, where a member of the Year 5 team will be supervising them.

As always, we will be following the school's Sex Education Policy.

If you have any concerns or questions, please do contact us.

Yours sincerely

*Mrs Mumford*
